TORSO GIRTH

*Shoulder at neck base through crotch meeting tape measure at shoulder

*Measure over a form fitting garment such as a leotard or unitard

*The tape measure should be snug, do not pull tightly or add inches to your measurements.

Below is a diagram of how to measure the torso (#4). Use #4 as a guideline.

4.Torso measurement:

taken from the center of the shoulder, down the front, through the crotch, and up the back to the starting point.
